COMMENTS / FEEDBACK / PROFESSIONAL TIPS REGARDING THIS ATTORNEY: I have found Mr. Ramero to be an honest man of integrity who really cares about his clients and works very hard in helping them in their situations. I have hired Mr. Ramero for an annulment and in a fraud case with the mexican timeshare company and in both cases I was very well represented and I am very pleased with the way he conducts himself in court and on a personal level. I refer him to everyone that needs legal help in any situation and feel there should be more honest, caring and aggressive lawyers like him in this profession.
